AVIATION CENTER  
& BOEING TOUR

## The Future of Flight Aviation Center & Boeing Tour

### Visitor Facilities

#### **Boeing Theater**

Amazing, time-lapse film of Boeing twin-aisle jets being assembled; view prior to taking the Boeing Tour.

#### **Boeing Tour**

The only public tour of a commercial jet assembly plant in North America. Visitors walk through part of the largest building in the world by volume (472,000,000 cubic feet) and see airplanes in various stages of assembly, manufacture and flight test for airline customers around the world.

Please remember:

- children must be at least 4 feet (122 cm) tall; babies may not be carried.
- no personal items on the tour – lockers are available.
- no still photos or video cameras on the tour.
- restrooms are not available during the tour.

#### **Future of Flight Store**

Here visitors pick up the keepsake color print of the airliners they've designed in the Aviation Zones. Great gift selections from Future of Flight merchandise to Pacific Northwest items. Currency exchange and duty-free shopping available.

#### **The Boeing Store**

The premier source for authentic Boeing merchandise, including custom-designed apparel, classic leather bomber jackets, T-shirts, hats, toys, collectibles, the latest travel gadgets and more. Here's your chance to own a piece of the aerospace legend!

#### **Café**

Snacks to a complete meal: sandwiches, soups, salads, coffee and other beverages.

#### **Meeting & Event Space**

A unique venue for both meetings and special events: eight indoor areas, ranging from a 12-person executive board room to the entire Aviation Center for a 1,400-person reception. Outdoor, tented Strato Deck for banquets or receptions of up to 500 people.

#### **Visitor Information Desk**

Located in the Grand Lobby; staff can provide information on what to see and do, where to stay and dine, in the surrounding area.
